Sounds good. I will let you know if there are any issues.

See attachment for predicate questions.

Annie

Subject: Wednesday

Hello,

I will put Michael on the stand first thing Wednesday morning, followed by Annie. Do you guys have "canned" questions you'd like me to ask? If so, please attach them when replying to this email. Do the questions make any difference whether they're asked of the primary analyst or confirmatory analyst?

Thanks,

Aaron
